ACADEMIC AND SOCIAL EXCELLENCE

April 20, 2018

Dear Tucson Country Day School Parents and Guardians,

Last night, the results of a vote by many of Arizona's educators to conduct a statewide walkout were announced. Based on the results, organizers of the vote have stated that teachers throughout the state will continue walkins on Monday, Tuesday, and Wednesday of next week. The walkins will enable school to continue as scheduled. The organizers announced that a statewide teacher walkout is planned for Thursday, April 26th.

At this time, we do not know how the walkout will affect TCDS. We are working to determine the impact on our school operations. If we do not have enough teachers on campus to safely supervise our students, we may have to close the school.

Please be advised this will not affect services to Preschool and Prekindergarten services.

In the event we are not able to keep TCDS open, we will let you know in at least three different ways: Email through our weekly email list; posting on the eplanner page of our school website ([www.TCDCharterSchool.com/eplanner](http://www.TCDCharterSchool.com/eplanner)) and through teacher eplanners. If you do not receive our weekly email, please go to the school's eplanner page and sign up.

It is our hope that teaching and learning will continue as planned through our last day of school, Thursday, May 24<sup>th</sup>. We will share additional information with you as it comes to our attention.

The most current and accurate information will be posted on the school's eplanner page as noted above.

Thank you, as always, for your continued support.

Your Tucson Country Day School Administration Team,

  
Cindy Kappler  
Chief Operations Officer

  
Adrian Hannah  
Principal

  
Jordan Krause  
Assistant Principal
